Pursue targeted growth strategies, partnerships, opportunities for integration and collaboration to tackle inequities and meet the emerging and diverse needs within our community.

Health Equity: Programs & Services

Adapt and develop anti-racism, anti-oppression and decolonization strategies across the organization.

Health Equity: Access

Continue working to improve access for Francophone and Indigenous Peoples to palliative and endof-life care services and programs.

Health Equity: Expansion

Continue expansion readiness planning, bringing hospice closer to people across Niagara.

Leverage professional partnerships and connections to enhance the client experience and to deliver high quality palliative and end-of-life care.

Population Health: Partnerships

Collaborate with partners to strengthen care delivery in our community and across the continuum of care.

Client Experience: Person-Centred Care

Engage clients and their essential care partners in the planning and delivery of person-centred care and care planning.

Population Health: Education

Continue to support health care providers by increasing use of evidence informed approaches to palliative and end-oflife care.

Improve 刀 awareness of **Hospice Niagara's** П services, programs Z and community impact as a centre **G** of excellence in the delivery of I palliative and end-of-life care. П

Sustainability: Stewardship

Educate the Niagara community on Hospice Niagara's programs and services.

Health Equity: Awareness

Expand communications within South Niagara as well as to diverse communities through regional and culturally relevant communication about the organization.

Sustainability: Philanthropy

Inspire philanthropy to support Hospice Niagara's strategic priorities, programs and services.

Empower and invest in the Hospice Niagara team, supporting innovative ideas to advance the client and provider experience.

Employee Experience: Excellence

Continue efforts to be a preferred health care and non-profit employer of choice in Niagara.

Client and Employee Experience: Quality

Develop and implement practice models that support accreditation, and prioritize risk management, promoting workplace health and safety practices, and continuous quality improvement.

Sustainability: Advocacy

Continue advocating for increased funding and seek other sources of financial support to reduce/ eliminate financial pressures.

Sustainability: Partnerships

Develop key partnerships with identified professional associations, regulatory bodies and educational institutions to grow organizational learning and impact.

Client and Employee Experience: Innovation

Invest in operational efficiencies and technology to innovate and improve.

INSPIRE EXCELLENCE AND INNOVATION
